

Abstract

For young scientists from developing countries (other than India) who wish to pursue postdoctoral research in emerging areas in science and technology for which facilities are available in laboratories and institutes of the Council of Scientific and Industrial Research (CSIR) of India.

Duration & financial support

TWAS-CSIR Postdoctoral Fellowships are tenable in CSIR research laboratories and institutes in India for a minimum period of six months to a maximum period of twelve months.

CSIR will provide a monthly stipend to cover for living costs, food and health insurance. The monthly stipend will not be convertible into foreign currency. In addition, Fellowship awardees are entitled to subsidized accommodation.

Deadline

Opening date of this fellowship: 11 February 2020.

Closing date of this fellowship: Extended to 31 July 2020.
