

## Abstract

The objectives of the Rutherford Foundation Fellowships and Scholarships are to support the education and development of promising excellent early career researchers with the potential to excel in a research environment.

The funding opportunities support early career researchers who demonstrate a passion for research, science and technology, and have a strong sense of the purpose and benefits of research to New Zealand.

## Duration & financial support

Each year, the Fellow will receive a stipend of NZ\$75,000 and NZ\$10,000 (GST exclusive) to support direct and indirect research costs.

The Fellowship will enable recipients to undertake full-time research programs for 2 years within New Zealand in any area of research, science and technology, including social sciences and the humanities, at an eligible New Zealand research institution.

## Deadline

Applications and supporting information must be submitted to the Royal Society Te Apārangi on the Rutherford Foundation Proposals on-line portal by the closing date of **06 August 2020 at 5 pm (NZST)**.
