

## Abstract

The Research Scholar Program provides unrestricted gifts to support research at institutions around the world, and is focused on funding world-class research conducted by early-career professors.

## Duration & financial support

Awards are disbursed as unrestricted gifts to the university and are not intended for overhead or indirect costs. They are intended for use during the academic year in which the award is provided to support the professor's research efforts. The funds granted will be up to \$60,000 USD and are intended to support the advancement of the professor's research.

## Deadline

**Applications are currently closed.**

Please check back in October 2021.

## Who can apply

- Open to professors (assistant, associate, etc) at a university or degree-granting research institution.
- Applicants must have received their PhD within seven years of submission (e.g. applicant in 2020 must have received PhD in 2013 or later). Exceptions will be made for applicants who have been teaching seven years or fewer and had delays, such as working in industry, leave of absence, etc.
- Applicants can submit one application per round, and apply a maximum of three times.

## How to apply

**Step 1:** Read advice on how to write a good proposal [here](#).

**Step 2:** Write your proposal using the advice mentioned in step 1.

**Step 3:** Submit your proposal once the application window opens. You can find format recommendations in the [FAQ](#).

**Step 4:** Applicants are notified within 4 months of submission.
