Who can apply

established researchers of any nationality with an outstanding 10-year-track-record. It is open to all fields of research.

How to apply

ERC grant applications can only be submitted in response to a Call for Proposals. The ERC has **yearly calls** for proposals covering all scientific fields. For an ERC grant application to be complete, it needs to include the administrative forms, the research proposal and the supplementary documents. The completed proposal needs to be submitted by the specified closing date.
