

Abstract

The primary aim of this program is to promote research projects within the context of doctoral programs.

Duration & financial support

- One month to a maximum of six months; the length of the grant is decided by a selection committee and depends on the project in question and the applicant's work schedule.
- Depending on academic level, monthly payments of euros 861.- for graduates, euros 1,200.- for doctoral candidates and postdocs
- Payments towards health, accident and personal liability insurance cover
- Travel allowance

Deadline

31.08.2020. visit their website to check up-to-dated deadlines. www.funding-guide.de

Who can apply

Graduates, doctoral candidates/PhD students, postdoctoral researchers.

As a rule, applicants should not have graduated any longer than six years before the application deadline. If you already hold a doctoral degree, you should not have completed your doctorate more than four years ago. Doctoral candidates should not have started their doctoral degree any longer than three years previously.

How to apply

The application procedure occurs online through the DAAD Portal. Please note that the access to the application portal only appears while the current application period is running. After the application deadline has expired, the portal for this program is not available until the next application period. The access to the DAAD portal generally opens about 6 weeks before the application deadline at the latest.
